Getting Started: Registration in the Electoral Roll

Enrol as a Service Voter

Find out the name of your Constituency and Part in the district/state of residence

Fill 2 copies of

- ◆ **Form 2** for Armed forces;
- ◆ **Form 2A** for Armed Police Force;
- ◆ **Form 3** for Govt officials serving abroad

Fill the Declaration Form & submit to the Record Office or nodal officer

Wife of a Service Voter can be enrolled in the same part on the basis of declaration made by her husband in the form and no separate declaration is required from her

OR Enrol as a General Elector

Alternatively you can also opt to enrol as General Elector at place of posting, **if it's a peace station.**

You can remain a Service Voter of your native constituency or register as a General Voter at place of posting (if peace station posting).

Remember to get your name deleted as a Service Voter, when you enrol as a General Elector.

Casting your Valuable Vote : How To Fill The Ballot Paper

Service Voter

When there is an election in your native constituency, Returning Officer (RO) of your constituency will send you the postal ballot alongwith two envelopes, a declaration and instructions for voting.

Record your vote by placing clearly a mark X or ✓ opposite the name of the candidate of your choice on the ballot paper; your vote will be invalid if the mark does not clearly indicate your choice.

No postage stamp need be affixed by you. It may be noted that the ballot has to reach the RO before the time fixed for commencement of counting of votes which would be mentioned in the instruction sheet.

After closing the larger cover, send it to the RO by post or messenger.

Give your full signature in the space provided on the cover marked 'B'. The serial number of ballot paper should be entered on the smaller envelope (**Form 13B**) in the column meant for it, if the same is not already entered by the RO before sending it to you.

Place the Declaration and also the smaller cover marked 'A' containing the ballot paper in the larger cover marked 'B', which already bears the address of the Returning officer.

Do not put your signature, any word, sign or any other mark on the ballot paper other than the mark required to record your vote

After recording your vote, place the ballot paper in the smaller cover marked 'A' sent with the ballot paper; close the cover and secure it by seal or otherwise

The officer will attest your signature and return the declaration to you; you must not show your ballot paper to the attesting officer nor tell him how you have voted

Sign the declaration in **Form 13A** in the presence of an officer appointed by the Commanding Officer of the Unit, ship or establishment. Remember to mention the serial number of the postal ballot in the declaration in the place meant for the same.

Your Vote shall be invalid if:

- ✓ If you vote for more than one candidate
- ✓ If the mark does not clearly indicate your choice, you mark in between two names
- ✓ If you put your signature, any word or sign on the ballot paper
- ✓ If the cover is not sealed/pasted
- ✓ If the declaration in **Form 13A** is not found on opening the outer envelope
- ✓ If declaration in **Form 13A** does not carry your signature or attestation by competent officer

Classified Service Voter

Once you are registered as a Service Voter, you (if you are serving in armed forces or in a force to which Army Act applies) can opt for voting through PROXY as a Classified Service Voter, meaning, you can nominate somebody to vote in your place

Keeping In Mind: Points to Remember

While wife can be enrolled in the part for Service Voter, husband/son/daughter cannot be enrolled

Do not place the declaration form 13A

inside the smaller envelope which is meant only for the marked postal ballot paper. The declaration alongwith the smaller envelope should be kept inside the larger envelope.

You can also opt to enrol as General Voter at place of posting, if it's a peace station posting but remember

No person can be enrolled on more than one electoral roll i.e. when you enrol as a service voter you have to submit a declaration - that you did not get enrolled as a General Voter

So get enrolled today to vote in the next election!
